Sack race, Sweden

A Sack Race is a traditional Swedish game where participants jump to the finish line while standing in a sack.

Pétanque, France

Pétanque is a French throwing game where players try to throw metal balls as close as possible to a small wooden ball.

Piñata, México

The colorful piñata, filled with candy and small toys, is hung from a high spot. Each child is blindfolded and spun gently to disorient them. Then you can let them take turns swinging a stick at the piñata. Once it breaks open, every child dives in to collect the goodies and sweets!
